PROFILE

Graduated Communication & Multimedia Designer with a strong interest in **UI/UX**, **web design** and **front-end development**.

I combine a creative mindset with technical knowledge of HTML, CSS and JavaScript and enjoy working on digital products that are not only visually appealing, but also user-friendly. I am calm, organised and independent, and I enjoy coming up with and bringing new digital solutions to life.

WORK EXPERIENCE

TrucksNL

2024 - heden

UX Designer, Webdesigner & Front-end Developer

- Building and maintaining websites for clients, ensuring they remain functional, user-friendly and up to date.

De Ruijter Digital
